

## **Parent FAQs:**

### **Q: What do I need to do before my child leaves for camp?**

A. -Fill out and sign the Young Life Health form. This form also **must** be signed by your child's doctor..

-Purchase a phone card for your child if you wish to be in touch with them while they are at camp. No campers are allowed to have cell phones while at camp but there are phones available throughout camp that will work with calling cards. Most cell phones do not work at Crooked Creek Ranch.

-If your child will be bringing any medication to camp, please clearly label all medication as it will be collected at arrival and handed out daily by our camp medical team.

### **Q: What should my child bring to Crooked Creek Ranch?**

A. The attire at Crooked Creek is casual. Jeans, t-shirts, and tennis shoes are perfect. There may be times when a pair of hiking shoes will come in handy. Also have your child pack one nicer outfit. Other items that would be important to bring are hat, sunglasses, sunscreen, a raincoat, and a swimsuit for the hot tub and pool! Colorado weather in the summer can be cool and unpredictable so don't forget a sweatshirt or jacket.

### **Q: What will my child do at Crooked Creek Ranch?**

A. Your child will have fun participating in activities such as horseback riding, driving ridge runners, and riding mountain bikes. They will have the thrill of participating in the ropes course and flying off the Claim Jumper and the blob. Our camp features a 70 person hot tub and large swimming pool. In addition to all of these daily activities as a camper, your child will also enjoy the nightly Young Life clubs and free time with their leaders and fellow campers from around the country.

### **Q: What if there is an emergency:**

A. If there is any type of emergency **at camp**, our camp staff and your local Young Life leader accompanying your child on the trip will notify you immediately.

If there is an emergency **at home** while your child is at camp you can contact our office 7 days a week between 8am and 8pm 970.726.6690. After those hours you can call our main camp number and be directed to our Emergency Cell phone number that is monitored after office hours.

### **Q: What if my child has specific dietary or physical needs?**

A. Please contact your child's local Young Life leader with any special food needs or physical limitation requirements. Our camp Food Service team is able to accommodate for any specific dietary needs and our medical team (Doctor, Nurse, and EMT) is available 24 hours a day to ensure the safety and care for the needs of your child while at Crooked Creek.

*For more information, photos, and videos about these activities, visit the Crooked Creek website at: [crookedcreek.younglife.org](http://crookedcreek.younglife.org) or contact our office at 970.726.6690*
