

# FRIENDS OF YOUNG LIFE

## Support//Encourage//Help

Friends of Young Life is a network of volunteers whose mission and goal is to offer support and encouragement to our Wyldlife, Young Life leaders and staff in Buncombe County. These leaders go where our kids are: building relationships with them, winning the right to be heard and sharing the deep, wide and faithful love of Jesus Christ with them.

Friends of Young Life volunteers rally around area leaders and staff supporting them in a variety of ways so they know they're not alone in the great mission of the Young Life ministry. "Friends" provide a "hands on" community of support for such needs as encouraging and praying for leaders, providing snacks and meals for Club and leader meetings and assisting the Young Life committee with many other needs of the ministry.
